

# MT 10X Cornhole COVID Regulations

Event Date: August 22<sup>nd</sup>, 2020

In order to meet guidelines set by Federal, State, and County the following guidelines will be required to be acknowledged and followed in order to play in the event. By clicking submit to the waiver during registration, you will be agreeing to the contents of this document.

Our main goal is to provide an event to have fun and to support our shooting sports group – meeting these guidelines is the only way we can do that.

## Your requirements

If you have a fever, shortness of breath, a cough, or other COVID-19 symptoms DO NOT ATTEND THIS EVENT

Vulnerable individuals, as defined by the CDC, should continue to follow “stay at home” guidelines

All players are required to have temperature taken during registration with a contactless thermometer

Physical distancing of 6’ must be maintained as much as possible. Members of a family group do not need to follow the distancing requirement

Face coverings are requested to be used where social distancing is not possible

All players and attendees are requested to use the hand-washing stations frequently

Follow the intent of all signage provided at the event

If Mineral County has 4, or more, positive cases of COVID prior to the start of the event, face coverings will be required at all times. We will check at 10am the day of the event.

## Our requirements

We will provide a hand washing station near the portable toilets

We will sanitize all eating, food preparation, and food serving surfaces at least hourly

We will sanitize all portable toilets at least every 2 hours

We reserve the right to remove individuals or groups who do not follow these regulations. Our goal is to provide an event to have fun and support our shooting sports group – meeting these guidelines are the only way we can do that

In order to minimize interactions we will be utilizing an app to notify individuals of when and where they will play (further instructions for this are available on our website)
